Annual spending on welfare – benefits, pensions and tax credits – is about £200 billion a year. What percentage of the total amount do you think is spent on each of the main categories listed below? Please enter the percentage in numbers (without a percentage sign); remember, the total must add to 100. We are interested in your best guess.

### Benefits for sick and disabled people (Disability Living Allowance, Attendance Allowance and Statutory Sick Pay)

0% to 5%	<b>9</b>	7	9	11	10	7	10	11	11	6	12	6	11	6	10	7	10	9	8	5

There is often debate in the media and elsewhere about the welfare system – benefits, pensions and tax credits – and whether public support for it is higher or lower than in the past. In that context, to what extent do you agree or disagree with the following statements? (Please tick one option per row)

The system is too soft on people who could work but don't try hard to find a job

Strongly agree	45	65	31	36	72	63	35	34	46	45	36	45	41	55	44	47	42	51	43	46	33
